a single floor – proceedings, tradeshow, posters, salons

- 1 Main proceedings
- 2 Tradeshow
- 3 Salons
- 4 Posters
- 5 Reception Area
- 6 Streaming
- 7 Streaming / Meeting Rooms

Tradeshow

show the industry what you bring to comminution

At SAG Conference 2023, vendors and consultants have an avenue to showcase their products and services for the industry. The spaces will remain the same in 2023 as in 2019 (33 in total), the relatively small size of this Tradeshow means you have a fantastic opportunity to network and demonstrate your capabilities to key operators and customers in the industry.

As with the 2019 iteration of SAG, the JW Marriott further increases the benefit of the tradeshow and salon, whereby both are located next to the main conference and reception areas, on the same floor level. While attending paper presentations, delegates can take time to visit booths and salons to meet with you as you show your capabilities over the 4 days of the event. First right of refusal will be given to returning exhibitors from 2019 (both in priority of booth location and for expansion of booth(s))

Additional benefits allotted to Tradeshow booth owners include:

- One (1) complimentary Delegate badge
- One (1) complimentary Exhibition badge
- Mention on SAG Conference website
- Listing on conference app before and during show

Location	Dimensions	Pricing
Main Floor (33 available)	8' x 10'	\$7,500
